Professional Experiences 4+ years

Product Designer (Full-time)

May 2023 - May 2024

Spendit | Seoul, South Korea

- Led UX/UI design for a B2B expense management platform, collaborating with engineers & PMs to increase task efficiency by 40%.
- Developed and maintained a scalable design system, reducing inconsistencies and accelerating feature rollout by 35%.
- Conducted user research & VoC analysis, leveraging CX insights to improve customer satisfaction by 43%.
- Designed and implemented A/B testing on onboarding flows, reducing support inquiries and increasing user retention.
- Created dashboard & analytics UI, simplifying financial reporting for users.
- Adapted fintech UX patterns from leading U.S. financial platforms (e.g., Stripe, Expensify, Ramp), ensuring compliance with international best practices.

Product Designer (Part-time)

Jul 2024 - Nov 2024

Sparklabs | Seoul, South Korea

- Developed high-fidelity prototypes in Figma, reducing development cycles by 30%.
- Worked on global SaaS solutions, ensuring seamless user experience for diverse international markets.

Product Designer (Full-time)

Jan 2020 - Mar 2023

Watcha, Inc. | Seoul, South Korea

- Designed personalized recommendation UX for a content platform with 300M+ users, optimizing engagement.
- Applied data-driven UX insights to Fintech UX at Spendit, improving usability and design consistency.
